

KEEPING YOUR HOME SAFE DURING AUTUMN AND WINTER

- ✓ Review your insurance policy: Ensure your coverage is adequate to protect your home and belongings against winter-related risks.
- ✓ Install an alarm, secure doors and windows, and consider outdoor lighting.
- ✓ Be cautious with candles: Never leave candles unattended, and keep them away from flammable materials.
- ✓ Seal windows and doors: Block drafts and leaks. Consider the insulation in your home.
- ✓ Beware of scams: Be vigilant of fraudulent activity, especially during the holiday season.
- ✓ Stay informed: Keep up-to-date with local weather forecasts and emergency alerts.
- ✓ Make sure boilers and heating sources are well serviced and maintained.
- ✓ Check that your outdoor pipes are insulated and weather proof.
